# Feedback on escape devices for large fauna

## ***Preliminary survey form***

---

Examples of escapes route: 1) boar hatch Sanglipass, 2) tilting trapdoor, 3) deer ramp  
Photo credits: 1) and 3) Cabinet X-AEQUO, 2) JF BRETAUD - CEREMA Ouest

The aim of this study is to draw up an operational document, intended for project owners, design offices, hunting federations, etc., in which we will try to: arrive at a general review of the various devices tested and currently available, identify the installation contexts, advantages or constraints specific to each type of equipment, and identify or propose methodological elements for locating and implementing these devices. *A presentation brochure is available on X-AEQUO.com ("notre actualité" tab).*

Respondent Information :

<b>Name :</b>	
<b>First Name :</b>	
<b>Structure :</b>	
<b>Email :</b>	
<b>Phone number :</b>	

**1. Are you aware of or involved in the implementation of escape devices?**

(mark the answer)

<input type="checkbox"/>	Yes, I know some, but I didn't participate in their implementation.
<input type="checkbox"/>	Yes, I participated in their implementation
<input type="checkbox"/>	No

**2. If yes, of what type(s)**

<b>Types</b>	<i>Can you give a brief description?</i>	<i>Where was this equipment installed? (department or communes, name of the network)</i>	<i>Were you involved in the choice of the location of this equipment (e.g. by carrying out an on-site survey)?</i>	<i>Have you been involved in monitoring its use?</i>
<b>Earthen Ramps</b>				
<b>Trapdoors</b>				
<b>One-Way Gates</b>				
<b>Opening at underpasses</b>				
<b>Other(s)</b>				

*Please enclose a photo or diagram of the device.*

**3. Do you agree to be contacted by telephone to further investigate the matter?**

<input type="checkbox"/>	Yes
<input type="checkbox"/>	No

**4. Would you be willing to answer a more detailed questionnaire?**

<input type="checkbox"/>	Yes
<input type="checkbox"/>	No

*We thank you for your time.*
